Thank You for Supporting the Troops through USO San Antonio!

Airborne Maintenance Technician Association
ATTN: Mr. Robert White
11615 Old Hills Lane
San Antonio, Texas 78251

Dear Airborne Maintenance Technician Association,

Thank you for supporting USO San Antonio and our mission to lift the spirits of America's troops and their families, *until every one comes home.*

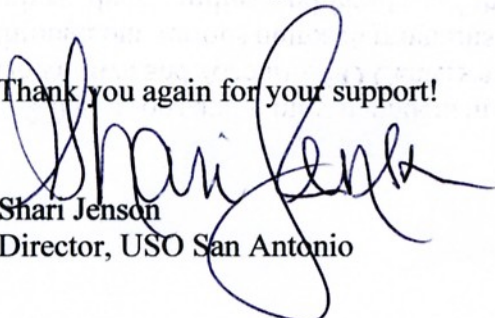

In 2011, thanks to generous donations such as yours, we were able to serve over 159,000 troops and family members in San Antonio; this includes over 96,000 guests at our Downtown and Airport USO Centers and over 63,000 troops and family members served through our various outreach programs and services, including our warriors recovering from injury, their families, and families of the fallen.

Not only are we eternally grateful for your donation but we are humbled every day by stories and thank you's from our troops about how the USO has been there for them, countless times, and when they needed it most. **This is only possible because of your contribution and support.**

What else does your money do? Your 100% tax deductible donation allows us to provide internet service to keep our troops and family members connected while they are serving remotely. Your contribution can also support deployments, meals, parking for our much needed volunteers, our United Through Reading program, and numerous other programs and events. I can assure you that every contribution we receive is greatly appreciated and is used to support the men and women who proudly serve our country.

If you have any questions, or would like further information about USO San Antonio, please feel free to contact me by phone at 210/507-3949 or by email at sjenson@uso.org. You can also find us on Facebook at <http://www.facebook.com/USO.SanAntonio>.

Thank you again for your support!

Shari Jenson
Director, USO San Antonio
