

THE HON. J.D. CROUCH II
CEO & PRESIDENT

Dear Friend of the USO:

As CEO & President of the USO, I want to thank you for your recent gift. As you know, the USO is not a government agency; we rely on the generosity of caring individuals like you. Without your help, we would not be able to provide our urgently needed services to America's combat troops overseas... to our wounded warriors here at home... and to their families, as well.

Today, 200,000 troops continue to defend our freedom overseas; many have had their tours of duty extended, long after they thought they'd be safe at home. Thousands more have been wounded in Afghanistan and Iraq; they must fight a very different battle, as they strive to return either to active duty or to active life after the military. Yet all these heroic men and women remain dedicated, loyal, and professional... and deserving of all the assistance we can give them.

I wish you could see, firsthand, the magic your gifts can help us create... the relief on the face of an exhausted soldier as she finds a USO Center in a strange airport... the grin of a recovering Marine as he enjoys a cookout with his family at one of our USO Warrior and Family Centers. The feeling that comes from a cold soda on a hot day in the desert, served with a friendly smile and an encouraging word. And nothing compares to the sound of a child's voice when Mommy or Daddy calls home from the "War".

You have done a great deal to help the USO reach our men and women fighting around the world... and the wounded heroes facing a long and arduous road to rehabilitation and recovery.

For all of us at the USO, and for our combat troops and wounded heroes everywhere, we thank you for your generosity.

With my warm and heartfelt gratitude,
